Tsunami Evacuation Zones: Kāpiti Coast

Use this map to plan your walk or bike to safety.

- 1 A tsunami may arrive within minutes in the event of a local earthquake. Don't wait for official warnings.
- 2 Walk or bike inland or to higher ground as roads may be damaged or block quickly. Take your grab bag.
- 3 Leave your car at home.

Go to kapiticoast.govt.nz/knowyourzone to check your address.
