

The cat and the Dog who Did the Right thing by IRIS CHRISTELLER!

Once upon a time there was a cat and a dog who were friends. They got bullies, but they didn't mind because they had each other. One day they saw a bird. One of the bullies said, "Hey losers, go catch a bird and eat it. I will give you 1000000 dollars."

"No! Because that's not kind!" said the

cat. "Why would we do that?" said the

dog. "I'm talking to the cat. cats

are supposed to eat birds," said the

bully. "I know that," said the cat.

"Then eat it!" "No," said the cat.

"Why it's yummy." "I still don't want to!"

The cat gently picked up the

bird. The dog said, "what can

we do to keep our birds safe?

I know you can keep a bell on your

pets. You can keep your cat in at

night."

"You can get rat traps. You can

go to an island and put lots of rat

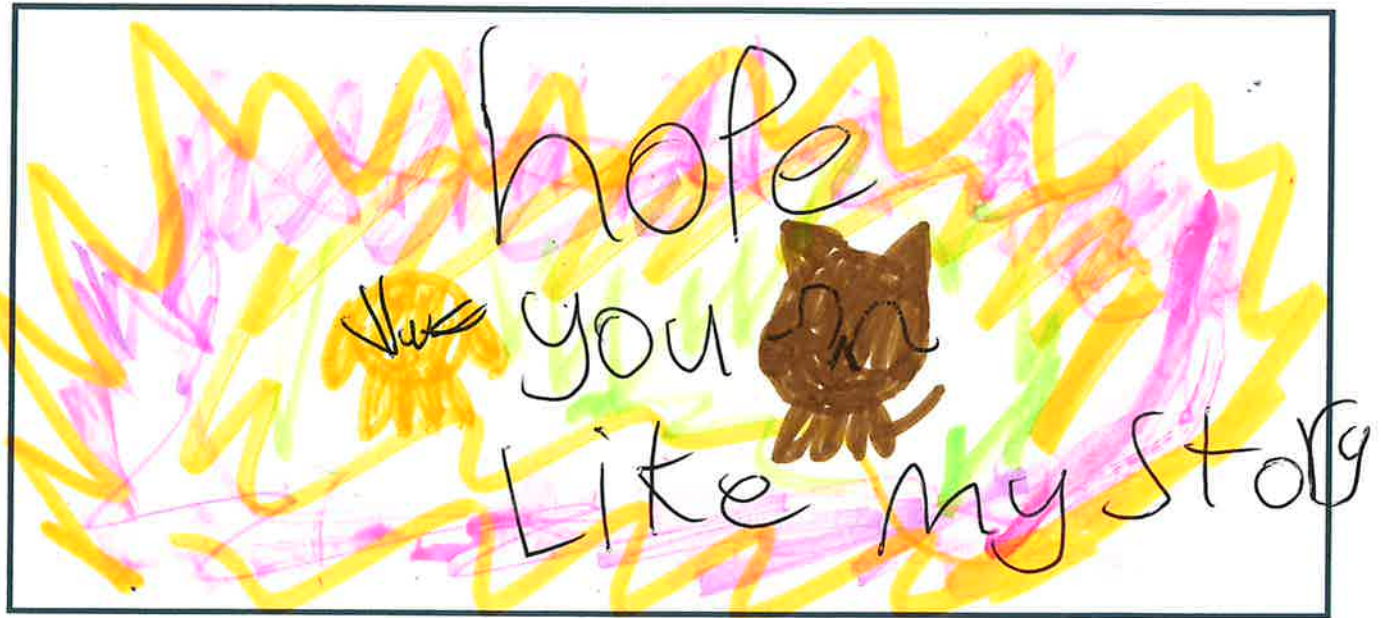

traps there, "said the cat.

The cat and the dog hung up
posters to save the birds.

Lots of people look after the
birds now.

Slowly rats went away, slowly birds
came back.

If you ever see a rat, don't leave
it there because it could have babies.

Get a rat trap! the cat

and the dog were happy

They even saved some birds. they

never got bullied again.
